

# DARREN DUNN

340 Fremont Street, Apt 4103, San Francisco, CA 94105  
415-937-2272  
darreydunn@gmail.com

## **TARGET: Product Management Internship**

University of San Francisco computer science student with a primary interest in using data visualization to create easier user / customer experiences, and long-term interest in 3D modelling, IoT, cybersecurity, and connected / self-driven cars.

Experience taking ownership of projects, whether assigned or unassigned. Excel at multi-tasking, on-time project completion, pressure-driven work, and open collaboration. Undaunted by failure and taking risks—using a trial-and-error mindset to ongoingly problem solve. Adaptable writing, presenting, and interpersonal communication style, drawing from significant international travel and diverse cultural exposure. *Proficient in French.*
